Facilities

There are toilets available for use at all sites. Please make sure that they are used. If they are locked please speak to your home coach about opening them. There is also catering available on match days. We take pride in maintaining our pitches and equipment. **Please help to keep our sites in good condition by taking any litter home with you and using any litter bins provided.** Dogs are not allowed on playing areas at any time. If there are any issues with the facilities please inform the lead coach as soon as possible.

First Aid

All our lead coaches have first aid training and will be around to support in matches and sessions. However, in case of emergencies call 999 as soon as possible. Defibrillators and first aid kits are available at all sites.

The nearest accident and emergency unit is at York hospital (Wiggington Road, Clifton, York YO31 8HE).

Safeguarding

All lead coaches have safeguarding training and all coaching staff have enhanced DBS clearance. We also have a club appointed welfare officer and mental wellness champion. For more information and contact details please visit the safeguarding page on our website

To ensure children are appropriately supervised, there should be no junior players or accompanying children on either site without the presence of a coach or supervising adult.

We want all of our players to enjoy playing football and develop their skills. The footballers themselves, coaches and spectators all play a vital role in this.

We follow the FA's Respect programme, full details and relevant codes of conduct can be found here

<https://www.englandfootball.com/explore/inclusive-football/Respect>

We expect that all spectators of football matches stand behind the respect barrier so that players can receive clear instructions from their coaches. Foul language is not acceptable and all players, coaches and spectators should follow the FA's Respect Code of Conduct. An extract of the spectators code of conduct is given below:

SPECTATORS

We all bear a collective responsibility to set a good example and help provide a positive environment in which children can learn and enjoy the game. Play your part and observe The FA's Respect Code of Conduct for spectators at all times.

I WILL:

- Remember that children play for FUN
- Applaud effort and good play as well as success
- Respect the Referee's decisions even when you don't agree with them
- Appreciate good play from whatever team it comes from
- Remain behind the touchline and within the Designated Spectators' Area
- Let the coach do their job and not confuse the players by telling them what to do
- Encourage the players to respect the opposition, referee and match officials
- Support positively and offer players encouragement not criticism
- Never engage in, or tolerate offensive, insulting or abusive language or behaviour
